Dear Ms Wismayer

Re: Admission of NCUK Students to our Programmes

Thank you for introducing Clubclass English Language School to us. We find your Foundation Programmes to be very well designed and ensure the preparedness of your graduates to follow undergraduate programmes at British universities.

Alpine Center, the Swiss Business School for Hotel & Tourism Management offers its Swiss Alpine Diploma programmes of study in Hotel Management, Culinary Arts, Events Management and Spa Management at our partner campus City Unity College in Greece. City Unity College is affiliated with Cardiff Metropolitan University, UK that has validated our Swiss Diplomas and offers the undergraduate and postgraduate degree programmes.

This is to confirm our wish to collaborate with your school and allow NCUK International Foundation Year students to apply and register on the following Swiss Alpine Diploma or degree pathways:

2-year Swiss Alpine Diploma in Hotel Management
2-year Swiss Alpine Diploma in Culinary Arts
2-year Swiss Alpine Diploma in Events & Conventions Management
2-year Swiss Alpine Diploma in Spa Management
3-year BA(Hons) International Hospitality & Tourism Management
3-year BA(Hons) International Food & Beverage Management
3-year BA(Hons) Events Management
After which they may proceed to the
MSc International Hospitality & Tourism Management

In order to be admitted, students must also present an IELTS 5.5-6 or better English qualification. We also interview every candidate by Skype in order to determine their qualifications and interests.
