Dear Ms Wismayer,

Further to our meetings and documentation submitted re the NCUK International Foundation Year programme, I am pleased to inform you that the admissions board has positively considered your request. Hence candidates who successfully complete all four modules (60ECTS) shall be eligible to apply for the Bachelor of Arts (Honours) in Business Enterprise as from academic year 2017-2018.

The admissions board will also consider applications towards MCAST degree programmes where there are no specific mandatory A level subjects. In such cases, candidates will be required to attend for an interview. For other programmes where specific entry requirements are in force MCAST will apply the normal process of evaluation of other qualifications the respective candidates might have while the NCUK programme will be considered as an asset.

Please do not hesitate to contact the undersigned should you require any further information.

Kind Regards,
