Following our meeting, we would like to confirm our collaboration with Clubclass English Language School. Furthermore we wish to confirm that upon successfully completing the NCUK International Foundation Year, students would be eligible to apply and register for NCC Diploma in Business (Level 4).

In addition, we can offer your students the following degree pathway, whereby they are eligible to progress to the following programmes:

- NCC Diploma in Business (level 4)
- NCC Diploma in Business (level 5)
- Middlesex University Malta – BA (Hons) Business Administration (Level 6)
- University of Worcester – BA (Hons) Business Administration (Level 6) – *Online*

This above degree pathway is conditional upon successfully completing each programme, whereby students are also requested to have a IELTS 5.5 or better (progression to Middlesex would require IELTS 6.0 or better).

The final acceptance will be issued by the relevant institution (STC Higher Education, Middlesex University or University of Worcester) and they shall maintain the sole discretion in accepting any students.
